Bids will be publicly opened in the Council Chambers immediately following the due date and time.
3. **Specifications and Qualifications:** Bidders shall carefully review all specifications, drawings, scopes of work, and any other bid requirements, including but not limited to; insurance, bonding, licensing, references, affidavits, certifications, etc. that may be called for in the bid documents, in order to ensure qualifications and submission of a responsive bid or proposal. All requirements specified in the bid documents will be made a part of any contract with the successful bidder.
4. **Timing of Award/Bid Withdrawal:** Awards will be made by the City of Fullerton within thirty (30) days from the date bids are opened, unless a different timeline is provided in the bid documents. Any bid may be withdrawn up until the date and time for opening. Any bid not so withdrawn shall constitute an irrevocable offer, which may not be withdrawn prior to award by the City within the number of days specified in the bid documents.
5. **Questions:** Any questions concerning this bid request are to be directed in writing, to the Purchasing Agent or Buyer named in the bid documents, electronically, by the date indicated in the bid. In the event no specific date is indicated, questions are due no later than seven (7) calendar days prior to the scheduled bid submittal date. Attempts to obtain information from other City employees or contractors during the bid cycle may disqualify a bidder. Answers to such inquiries, as well as any revision, deletion, or addition to the bid, will be publically posted on the City's website. Bidders should check the website for any addendums prior to submitting their bid.
6. **Price Errors/Discrepancies:** In the event of discrepancies between totals, unit price extensions and summaries of totals, the unit price correctly extended will control.

Vendors should refer to the specification pages to determine if alternate products or specifications will be considered, and to determine any pre-qualification requirements that may be applicable.
12. **Exceptions:** Exceptions to the City's specifications, terms or conditions taken at time of, or after bid submittal, may render the bid non-responsive and result in disqualification. 13. **Lowest Responsive and Responsible Bidder:** It is understood that, except as may be otherwise expressly provided in the bid documents, the award will be made to the lowest responsive and responsible bidder where the bids are for identical items or supplies, subject to the right to reject any and all bids.
