**CONSENT CALENDAR**

MOTION by Member Hiegel, seconded by Member Morris and CARRIED unanimously that the Minutes of June 29, 2011 meeting be APPROVED.

**REGULAR BUSINESS**

**1. DISCUSSION TO CHANGE THE MEETING TIME AND/OR DATE OF FUTURE BUSC MEETINGS**

After discussion by committee members, it was decided to change the regularly-scheduled meeting date and time to the third Thursday of the month at 5:00 p.m.

**2. DISCUSSION OF EXISTING AND PROPOSED BICYCLE ROUTES**

Drafts of the existing and proposed bicycle networks were distributed by Planning Manager Allen. These maps will be included in the public review for both the General Plan Update and the Bicycle Master Plan. Three different types of routes were included in the proposed map: regional routes, local routes, and specific plan designated routes.

Member Hiegel noted that there were some routes not listed on the existing maps, which had been before.

Member Buck expressed concern over not having route classifications listed on the existing maps. Member Carroll reiterated that the work that had gone into classifying each of the bicycle lanes would be wasted.

After staff and Committee discussion, it was concluded that the maps should be revised to specifically identify the proposed classifications for the proposed routes.

Chair Rands suggested that all of these changes be done through the public review process and that additional public input could be solicited on the proposed routes.

It was agreed that at the next BUSC meeting, specific route classifications would be discussed.

There being no further business the meeting was adjourned at 6:05 p.m.
