## TO CONSIDER ADDING A CLASS II BICYCLE LANE ON ROSECRANS AVENUE, FROM GILBERT STREET TO CANYON DRIVE

Mr. Nguyen reported that there is currently a Class II Bike Lane on Rosecrans, but ends at the first driveway east of Gilbert Street. There is a street reconstruction project in progress and would be favorable to continue the existing bike lane to Canyon Drive.

Member Rands questioned if this is would be an addition to the Bikeways Master Plan. Mr. Nguyen stated that it had already been included and would be in conformance with that plan.

Motion by Member Hiegel, seconded by Member Leslie and carried unanimously by voting members present, that staff's recommendation be approved.

#### STAFF/SUBMITTEE COMMUNICATION

Chair Rands requested that staff give a report at the January meeting as to how much is left in the bike rack account and where the new racks would be located. She also asked for an update Bicycle Master Plan schedule, particularly when it would be heard by the Planning Commission. Member Buck asked for details of the schedule for the Orange County Regional bikeways plan.
