CITY OF FULLERTON MEMBER OF THE CITY COUNCIL NAME: JAN M. FLORY **OCCUPATION:** Family Law Attorney Our city has been turned inside out by the tragic beating death of a defenseless homeless man by city police. There are some who are using this inexcusable event to justify disbanding our police department and dismantling city government as we know it. I am not one of those people. I believe the recommendations of the Task Force on Homelessness and Mental Health Service should be implemented immediately. Transparency, accountability and pension reform must be addressed. I served on the city council for eight years after another divisive recall. The effects of that recall were felt for years after. I know from personal experience that in order for the city to heal and get past this horrific experience, we need a steady hand at the wheel, -- not one driven by ideology or hidden agendas. My family and I moved to Fullerton in 1970. All four of us are graduates of CSUF. I have practiced family law in Fullerton for the past 26 years. I know and love this town that has been so good to us. A vote for me will be a vote to restore order and common sense to 5071-1
