

Request for Qualifications for the Downtown Core and Corridors Specific Plan and Program Environmental Impact Report: ADDENDUM #1

Released on Monday, February 14, 2011

The following changes have been made to the Request for Qualifications (additions are <u>underlined</u> and deletions are in <u>strikethrough</u>):

V. SOQ REQUIREMENTS

SOQ Length and Format

The SOQ shall be limited to a length of 25 numbered pages with one-inch margins. 8.5" x 11" pages (landscape or portrait) shall be used, and larger pull-out or folded pages or posters are not allowed. If double-sided printing is used, the front side of the page shall be counted as one numbered page and the back side of the page shall be counted as one numbered page. With the exception of the front and back cover, tab dividers, and the table of contents, everything submitted within the SOQ will be counted as a numbered page (including items that are not required, such as a cover letter, appendices, resumes, and marketing brochures). Tab dividers may only have roman numerals on the tabs (I, II, III, IV, V). No other words, numbers, graphics, illustrations, or photographs may be used on the tab dividers. The body text of the SOQ must have a minimum font size of 11.
